

```
unit:(MM)
note:tolerance Positive and
negative 0.2MM
name:PET laminated (138*160)
arrangement:1*11(series)No
spacing posted Article black;
type:156 MDD Two line ;
monolith:10.93*156MM;
efficiency:18%;
voltage:5.5V;
current : 540mA;
```

PCB size:138*160*1.5
PCB material:all Glass fiber
PCB requirements:positive
black/Black on the back
Quality requirements:Flatness
less than 0.1MM
Clean does
not allow to have the scratch
Take off paint the
phenomenon such as A hole
does not allow to have the
deviation

[illegible]

ALL DIMENSIONS IN MM
